

Bellevue Union School District
Cell Phone Settings for bellevueusd.org email
(effective July 17, 2009)

SCOE has changed our email accounts to a new provider (Gaggle). This will likely require those who have enjoyed getting and sending email from their cell phones to reconfigure their accounts. In doing so, you will need to delete your current email account on your phone and set it up again. Below are the settings required to continue to receive and send email via your cell phone.

Type of Account: IMAP

Address: first-initial-last-name@bellevueusd.org (e.g., troehrick@bellevueusd.org)

Name/Description: Same as above (you need to put in your whole email address)

Incoming Server: mail.bellevueusd.org

User Name: Your full email address

Password: Well, only you know this

Outgoing Server: mail.bellevueusd.org

User Name (may state optional, but is required to send mail): Your full email address

Password (may state optional, but is required to send mail): Well, only you know this
