

## **Safe Routes to Schools Update October 19, 2009**

Kawana, Meadow View and Taylor Mountain schools are still participating in Walk and Roll to School Day!!!

Walking and biking to school is a fantastic way to instill healthy, fun habits in your child. It is a great excuse to gather with your neighbors and clear your mind before school and work. Avoid the long traffic line and spend quality time with your child outdoors. Teach your child safe crossing techniques and always use the crosswalks. Send your child off to school with a smile and a helmet if they are on a bicycle (4th-6th grade only).

Volunteers will be hosting a morning welcome table located at the front of each school where they will give out raffle tickets to the kids who walked or biked on Walk and Roll to School Days. Welcome tables will be set up approximately ½ hour before the morning bell at each school, and will close when the morning bell rings.

We encourage parents and kids to continue walking in groups from the meeting point locations established on International Walk and Roll to School Day. **Parents are responsible for supervising their own children or for arranging for their children to be supervised by another adult who will be walking in the group.**

Bellevue Union School District's Walk and Roll to School Days are sponsored by the South Santa Rosa Safe Routes to School Program and the Sonoma County Safe Routes to School program [www.sonomasaferroutes.org](http://www.sonomasaferroutes.org). Safe Routes to School programs in Sonoma County School Districts are funded through city or county administered SRTS grants and the Measure M Transportation tax, and managed by the Sonoma County Bicycle Coalition [www.bikesonoma.org](http://www.bikesonoma.org), the Sonoma County Department of Health Services, and the Sonoma County Transportation Authority. For more information about walking, biking or carpooling, commute safety tips, or to volunteer and/or sign up to be a leader of a walking group, please join our Safe Routes to School parent group at either Kawana, Taylor Mountain, Meadow View or Bellevue. To find out the date/location of our next parent meeting, please call Lacinda Moore at 545-0153, or email [laci@bikesonoma.org](mailto:laci@bikesonoma.org).

The Meeting places and times for walking to each school are below:

### **Kawana Elementary School**

Walking Group Meeting Location: Meadow Way and Kawana Springs Rd.
